P H KRISHNA RAU, ESQ, M A,
MUNICIPAL COMMISSIONER,
BANGALORE CITY

To

R.Ranga Rao,Esq,B.A.,B.L.,
Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

I have the honour to state that 270 shops in the New General Market in the City have not yet been metered and it was found that some of the shop keepers were having more number of lights than allowed by the Municipality by tapping the original connection etc. and using higher power bulbs. By this the -- charges paid by the Municipality to the Electric Department were going up month by month though the shop keepers were paying a fixed amount as charges for a limited number of lights. To prevent the surreptitious use of energy and also to recover charges, from the shop keepers upon the power actually consumed by each the Superintendent, Power & Lighting, Bangalore, was requested to send an estimate for metering all the 270 shops. He sent an estimate for Rs.6,450/- which was approved by the Council at their meeting held on 14-10-1933. A copy of the resolution of the Council -- together with a copy of the estimate are herewith forwarded for early sanction of Government. The cost of the work will be met out of the funds alloted for the City Improvement works for 1933-34.

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner.

Forwarded with compliments.

Secretary to the Corporation.
